How to Order

The following pages will explain in full detail the steps to request a quote and place an order.

It's simple and we're here to help!

REQUESTING A QUOTE

SEND US YOUR REQUEST FOR A QUOTE:

Fax Measurement / List to: 1-604-464-7210 -or-
1-888-333-7210
Or Email Measurement / List to: orders@eurorite.com

GUIDELINES FOR REQUESTING A QUOTE

- A quotation document will be returned to the store within 24 hours.
- Quotes done in 20:20 are in LIST PRICE. Prices listed on Euro-Rite's "Order Quotation" document are at your cost after your multiplier has been applied.
- Review your quote. Send changes / revisions back to Euro-Rite Cabinets written directly on the quote pages sent to you. Revisions will be made and a second quote will be sent back to the store for approval.
- Once the quote is approved and when you decide to place an order for the items quoted, see our "2-Step Order Process" page.
- All quotes will remain in Euro-Rite's system for 60 days. After 60 days the quote will be deleted from our system.
- Quotes are not a commitment to purchase. Ship dates will not be assigned to any quote. Ship dates are assigned to committed orders only.
- Any document sent to Euro-Rite with a purchase order number on it will be deemed a committed order and will be processed as an order (See our "2-Step Order Process" page.)

****IMPORTANT****

Store purchase orders MUST contain Euro-Rite's product codes to be processed.

OUR 2-STEP ORDER PROCESS

1. SEND US YOUR PURCHASE ORDER:

Fax Order to: 1-604-464-7210 -or-
1-888-333-7210
Or Email Order to: orders@eurorite.com

2. CHECK YOUR ORDER ACKNOWLEDGEMENT SENT BACK TO YOU.

A **SHIP DATE** will be assigned to the order at this stage, based on Euro-Rite's product lead times.

****IMPORTANT****

If you do not receive an order acknowledgement within 24 hours of sending in your purchase order, contact Euro-Rite Cabinets' customer service toll-free 1-888-464-5063.

GUIDELINES FOR PLACING AN ORDER

- Orders must have a store purchase order, otherwise they will be treated as quotes. (See "Requesting a Quote" page.)
- Orders must contain Euro-Rite Cabinets' product codes or they will be treated as quotes. (See "Requesting a Quote" page.)
- It is our goal to enter orders into the system the same day they are received. Please note that delays may occur during high volume periods.
- Once the order is entered and an order acknowledgement is sent, you have 24 hours to make any corrections or unforeseen changes. Please fax or email revisions to the above numbers. Changes will affect the ship date.
- After the 24 hours period, the order will be in the production process and no changes will be accepted.
- Orders do not require a signed off copy to be sent back to Euro-Rite Cabinets.
- If combining orders to meet your prepaid limit, the ship date will always be set by the date of the last order placed (longest lead time).

For example: If your prepaid amount is \$1500.00:

PO 1234 Placed Today = \$1240.00 San Juan (1 Week)
PO 5678 Placed Today = \$750.00 Solaire CP (4 Weeks)

Both orders ship in 4 weeks.
