## Euronite AdvantagePlus HETTICH Drawer Removal

1. Fully open the drawer

2. With the drawer open, locate the **GREY PLASTIC TABS** on either side and **PRESS IN**

3. While grey tabs are pressed in, **LIFT UP** the drawer box and remove

4. To put box back in, leave the slides fully extended and place the box on the slides **BACK END FIRST** (as shown above) and bring the front of the box down and close the drawer. The tabs will click back into place.
